

We Still Sing of Suits For Spring.

To talk up your clothing is a good thing, to advertise it is wise. In order to get lasting results, however, the goods must be all that is claimed for them and a little more.

Prove our clothing by comparison, by wear, by any test you choose—it will be found honest all through and lower in price than any which even approximates it in value.

How do we know this? Well, one satisfying and convincing proof, is in the new customers—dissatisfied elsewhere—who are coming to us every day and whom we are winning and holding by sheer merit.

Come Once You Will Come Again.

Looking and trying on will impose no obligation to buy. We want to make you acquainted with the best in clothing.

An Open Letter.

From the Chapin, S. C., News: Early in the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescribed for us, but his medicines failed to give any relief. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, Editor. This remedy is for sale by all druggists.

Sunny Jim is on his way to Roswell he heard that Tom Campbell has moved to the Grand Central and is doing a nice business. We suggest that you join the crowd with Sunny Jim.

One of the greatest blessings a modest man can wish for is a good reliable set of bowels. Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, putting it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased. Mr. D. K. Kable, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me."

Kodol Digests What You Eat and relieves the stomach of all nervous strain and the heart of all pressure. Bottles only. \$1.00 Size holding 2 1/2 times the total size, which sells for 50c. Prepared by E. C. DEWITT & CO., CHICAGO. Sold by Pecos Valley Drug Co

Land For Sale.

The Felix Land & Cattle Co.,

Offers to sell to actual settlers about 1500 acres of the **FINEST IRRIGATED LAND** IN THE PECOS VALLEY. **PRICES LOW, TERMS EASY.** Going with the land is a perpetual water right from the Northern Canal. It is also in the Artesian Belt. We have refused to put this choice land into the hands of speculators. We give all purchasers the advantage of bed rock prices. The land speaks for itself. Go and see it. Last year we sold 2500 acres to good farmers who are now cultivating it. About 1000 acres of apple orchards are being planted this spring. More land is being brought under cultivation and other improvements made in the Hagerman-Felix district than in all the Upper Valley. On account of its **SOLID MERIT** this is the most progressive farming spot in New Mexico. Inquire at the office of the company at South Spring Ranch or of the following.
